## Test your French Level

Discover your level on the CEFR scale by taking an online French proficiency test. There are many options available, but we recommend [le Français Facile avec rfi](#) for accurate and reliable results. This will help you better understand your strengths and areas for improvement in French.

## Visit EIFE's Website

Take a look at École Interculturelle de Français pour Étrangers' website to get familiar with their teaching approach. The opportunity with My English Sister is a unique offering outside of their regular program, with a duration of 4–6 months.

## Learn about the Visa Process

The visa process differs from country to country. Through our programme, you will be under a student visa in France. It is important to understand the [requirements and necessary documents](#) to obtain this visa. My English Sister is here to help where we can along the way.

# Application Process

1

## Apply Online

After completing the steps listed before, fill out our online application and we will be in touch within two weeks.

2

## Round 1: Phone Interview

30-minute phone call to determine your eligibility and motivation. Be prepared to talk about your childcare experience and French-language goals.

3

## Round 2: English Interview

Scenario-based discussion, conducted via video or in-person interview, to assess problem-solving abilities and teaching skills.

4

## Application Review and Confirmation

Complete a Situational Judgement Test and receive final decision. Proceed with contract signing.
