# Choosing a Master's

## Research

Start by researching which universities offer 1 year Master's programmes or Diplomas. You can study online or at a College or University in Lyon.

## Select

You can choose any subject as long as it's linked to the business (marketing, design, digital, HR, business development, management etc) and fits the rhythm (4 days work, 1 day study).

## Apply

You'll have to apply directly to the University. Typically you'll be asked to send your CV and cover letter before being invited for a formal interview and competency tests.

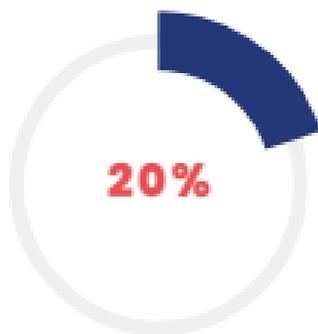

## Validate

Once you've successfully been accepted onto a programme, contact the MES team to complete your application and take care of the financials (your fees will be paid by MES).

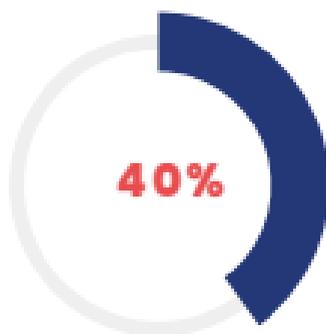

05.

## The role

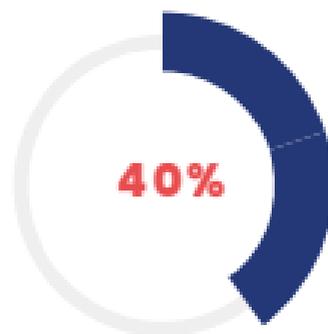

### studying

1 day per week (Friday) will be dedicated to your Master's degree where you may have classes, workshops or assignments.

### working

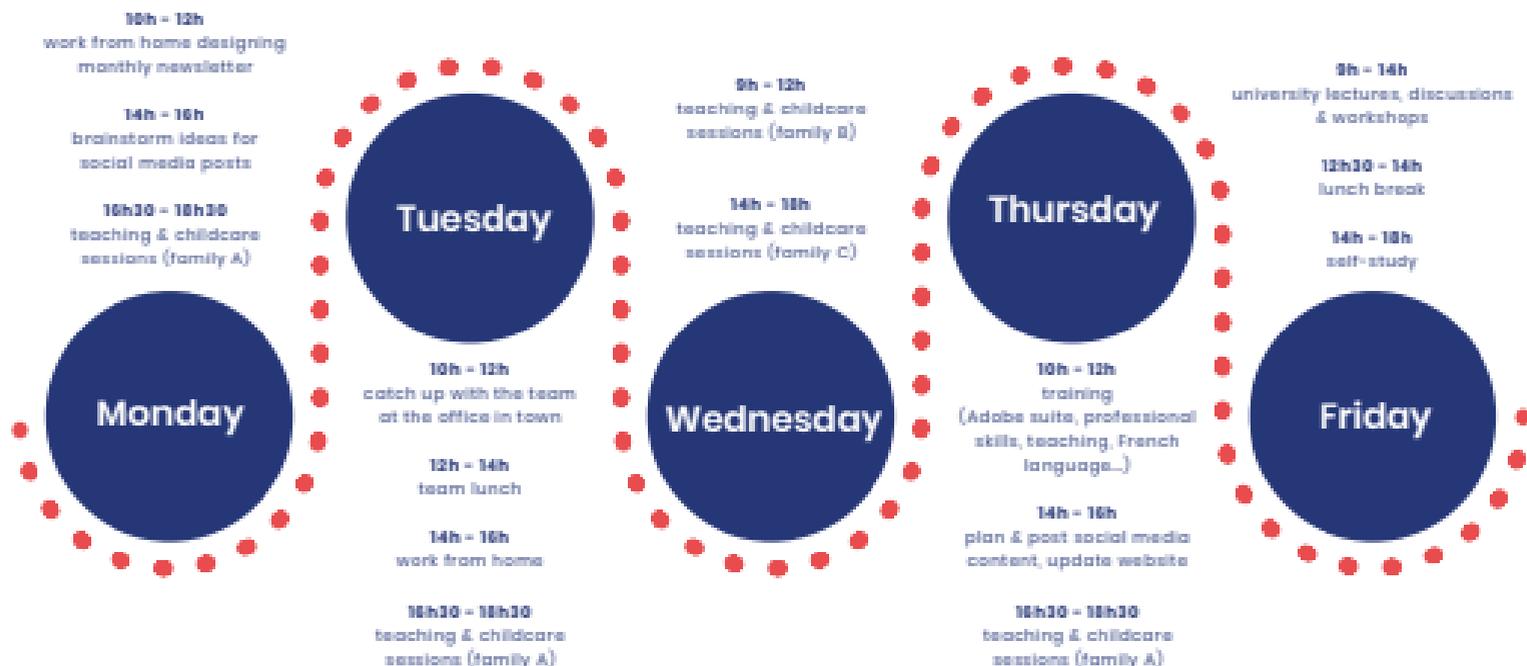

You'll spend about 14 hours per week in a business role, doing tasks or undertaking training (Photoshop, Illustrator, teaching, professional skills & French lessons).

### teaching & childcare

You'll also spend about 14 hours working with families, looking after and teaching English to kids aged 3+. You'll be trained and given teaching materials.

# A week in the life of a Digital Marketing Apprentice

# Moving to Lyon

We offer a monthly salary (824 euros) and contribute up to 50% of a city travel card. Lyon is a relatively expensive city, you can rent a comfortable room in the centre for around 550 euros per month.

We don't provide accommodation but we can help you find it. We have a partnership with Lyon Expat Agency where you can live with a French family in the city centre and opt to have meals cooked for you (550 euros per month).

We provide assistance with the visa process (if necessary) as well as opening up a bank account and registering for social security.

“

It's been a wonderful opportunity to kick start my professional career in France, improving my French, learning new skills all whilst pursuing further education.
